

## ABOUT US

With over 15 years of audio consumer electronics experience SEA has the expertise you need from design to mass production.

Get in touch to see what we can do for your upcoming projects.

## PRODUCT DESIGN

- Active/Passive
- Performance Modeling
- DSP Tuning
- Transducer Design

## TEST AND MEASUREMENT

- Amplifier Performance
- Acoustic Response
- Reliability

## PCB SERVICES

- Hardware Design
- Schematic Capture
- Layout

## MANUFACTURING OVERSIGHT

- Quality Control
- Remediation
- Vendor Communication
